

Money In The Piggy Bank

Putting money in your piggy bank is a great way to save for the future or for something special you may want to buy. The amount that goes in each piggy bank is in the corner, circle the coins that you will need to reach that amount. Then on the piggy bank write the total amount of coins in each box.

\$1.35

A pink piggy bank with a yellow eye and a pink stripe on its back. Above it are 15 coins: 10 quarters and 5 pennies.
